

Welcome to Our First Newsletter :

Hello from Mwamfushi Safari Lodge !

We are thrilled to share our very first newsletter with you. February has been full of incredible and memorable moments here in Kafue National Park, and we can't wait to bring you along on our safari adventures, lodge updates, and special news. Guests have been lucky to spot the few elephants that regularly visit the area around the camp, as well as many other amazing animals across the park. From hippos lounging in the river to birds filling the skies, every safari drive offers something new and exciting. February at Mwamfushi Safari Lodge has truly been a month to remember!

Safari Highlights of February :

Leopard Tortoise

Yellow Baboon

Red-necked Spurfiowl

Banded mongoose

African Fish-Eagle

Lion

Lodge Updates :

Held an important team meeting to prepare for the upcoming safari season

Renovated the pontoon and repainted all lodge boats for safer

Celebrated Valentine's Day with many couples enjoying special moments at the lodge

Welcomed a new team member , our Marketing Manager , to help share the lodge's magic

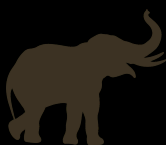

A Word from Our Team :

"February has been an amazing month here at the lodge, and as it's my first month here, I'm excited to share even more unforgettable moments with you in the months to come!"

Hélène Champion, Marketing Manager

Conservation Corner :

We are introducing camera traps around the lodge to monitor nocturnal wildlife and better understand their habits. These cameras help us identify species, track movements, and protect their habitats. By staying with us, you support Kafue's wildlife conservation efforts.
